

PreMaster CD version 2.0

## Registering PreMaster CD

### iLok USB Smart Key:

1. Visit:

<http://www.sonicstudio.com/register>

Follow the PreMaster CD link and fill out the form completely, including your iLok User ID, iLok serial number, and PreMaster CD serial number in addition to the standard registration information. Your PreMaster CD serial number is the 9 digit number that is located on the inside of your disc case or, was e-mailed to you from Customer Support. We will transfer the license to your iLok account within 3 business days.

**Note:** *Failure to completely and accurately fill out the registration form will delay the processing of your request.*

2. You will receive an e-mail from Customer Support indicating that your iLok has been licensed for PreMaster CD.

3. Visit:

<http://www.ilok.com>

Log in to your account and download the PreMaster CD license to your iLok Smart Key. PreMaster CD is now authorized for any system into which your iLok is inserted.

4. For Purchase PreMaster CD Options:  
Sonic Studio Customer Support will provide a key file that "unlocks" your options. Once you receive the key file, they may be authorized by selecting "Update Key File" from PreMaster CD's File menu, and selecting the new key file provided. PreMaster CD will need to be restarted for your new options to become active.

**Note:** *This key file will work only with the iLok serial number entered in the registration form. Other iLoks will not activate your options.*

### License Transfers:

Log on to your iLok account to transfer your license to another iLok USB Smart Key.

### Support:
